[Recipient's Address]

[City, State, Zip Code]

Dear [Recipient's Name],

I hope this letter finds you well. I am writing to refer [Patient's Name], a [child's age] year-old [boy/girl] who has been experiencing challenges with articulation.

Over the past [duration], I have observed that [Patient's Name] has difficulties in pronouncing certain sounds, which has impacted [his/her] ability to communicate effectively in both academic and social settings. Specific concerns include:

- Substitution of sounds
- Omission of sounds
- Distortion of sounds

Given these concerns, I believe further evaluation and intervention by a qualified speech-language pathologist would be beneficial for [Patient's Name]. I have attached relevant assessment results and observations for your review.

Please feel free to contact me at [Your Phone Number] or [Your Email Address] if you require any additional information.

Thank you for your attention to this matter. I look forward to your feedback and support in helping [Patient's Name].

Best regards,

[Your Name]
