

# Farewell Letter

Dear Colleagues,

As I prepare to retire after many fulfilling years in medicine, I want to take a moment to express my heartfelt gratitude to each of you. It has been an incredible journey working alongside such talented and dedicated professionals.

I have cherished the moments we've shared--whether in our successes, challenges, or the everyday interactions that made our workplace feel like a family. Your support and camaraderie have enriched my experience immensely.

Although I am excited for this new chapter in my life, I will greatly miss our teamwork and the sense of purpose that comes with our shared mission to care for our patients.

I wish you all continued success in your careers and in the lives you touch. Please keep in touch!

Warmest regards,
