Subject: Resource Sharing Post-Cultural Competency Training

Dear [Recipient's Name],

I hope this message finds you well. Following our recent healthcare cultural competency training, I wanted to share some valuable resources that can further enhance our understanding and implementation of culturally competent care.

Recommended Resources:

- [\[Resource Title 1\]](#)
- [\[Resource Title 2\]](#)
- [\[Resource Title 3\]](#)

These resources include articles, websites, and training modules that provide additional insights and tools for improving our practice. I encourage you to review them and consider how we can integrate this knowledge into our workflows.

If you have any questions or would like to discuss these resources further, please feel free to reach out. Thank you for your commitment to providing culturally competent care.

Best regards,
