

Diagnostic Test Instructions

Dear Patient,

Thank you for visiting our urgent care facility. In order to ensure accurate results for your diagnostic test, please follow the instructions below:

Before the Test

- Do not eat or drink anything for at least 8 hours prior to the test unless otherwise instructed.
- If you are taking any medications, please consult with our staff about whether you should continue.
- Wear comfortable clothing that allows easy access to the area being tested.

During the Test

- Follow the technician's instructions carefully.
- Inform the technician if you experience any discomfort.

After the Test

- You may resume your normal activities unless otherwise directed.
- Our team will follow up with your test results within 3-5 business days.

Please contact our office at (555) 123-4567 if you have any questions or concerns.

Sincerely,

The Urgent Care Team
