Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose the reactivation of the services that have been previously unused at [Company Name/Your Organization]. We believe that re-engaging with these services can greatly benefit our ongoing initiatives and enhance our overall productivity.

As we reviewed our past engagements, we noted that the following services were inactive:

- [Service 1]
- [Service 2]
- [Service 3]

These services align closely with our current objectives and projects, and we are confident that leveraging them again would yield positive outcomes. We propose to reactivate these services under the following terms:

1. [Proposed Term 1]
2. [Proposed Term 2]
3. [Proposed Term 3]

We are open to discussing any adjustments or recommendations you might have to facilitate this reactivation process.

Thank you for considering our proposal. We look forward to your response and hope to collaborate effectively once again.

Sincerely,

[Your Name]
