

Garden Plot Guidelines and Rules

Date: [Insert Date]

Dear Gardeners,

Welcome to our community garden! We are excited to have you as part of our gardening family. To ensure a successful and enjoyable gardening experience for everyone, please adhere to the following guidelines and rules:

Plot Maintenance

- Each gardener is responsible for keeping their plot tidy and well-maintained.
- Weeds must be removed regularly to promote healthy plant growth.
- Fruits and vegetables should be harvested in a timely manner to prevent overgrowth and spoilage.

Plant Selection

- Choose plants that are suitable for our local climate and soil conditions.
- Please avoid invasive species that could harm the ecosystem.
- No plants with thorns or spines that may cause injury.

Community Considerations

- Respect fellow gardeners' plots and privacy.
- Dispose of waste properly; compost organic matter and recycle appropriate materials.
- No loud noises or disturbances during gardening hours.

Watering and Irrigation

- Watering should be done in moderation to conserve water.
- Use drip irrigation where possible to minimize evaporation.
- Watering hours are [insert hours].

We appreciate your cooperation in following these guidelines. Should you have any questions or concerns, please feel free to contact us at [insert contact information].

Happy Gardening!

Sincerely,

[Your Name]
