

Dear Tenants,

We hope this message finds you well. We are reaching out to provide you with valuable information regarding energy source options that may be available to you as residents.

Energy Source Options

- **Electricity:** Consider switching to renewable energy providers that offer green energy options.
- **Natural Gas:** Check local suppliers for competitive rates and energy-efficient appliances.
- **Solar Energy:** Explore the possibility of installing solar panels or joining a community solar program.
- **Heating Oil:** Compare delivery prices and consider purchasing in bulk during off-peak seasons.
