Dear [Property Manager's Name],

I hope this message finds you well. As we approach the winter season, I would like to formally request the establishment of a snow removal service agreement for my rental property located at [Property Address].

Given the heavy snowfall we typically experience in our area, having an efficient and reliable snow removal service is crucial to ensuring safety and accessibility for all residents. I believe that an agreement outlining the terms and conditions for snow removal services would be beneficial.

Please let me know if you can accommodate this request, or if we can discuss this matter further at your earliest convenience.

Thank you for your attention to this important matter.

Sincerely,

[Tenant's Name]
