

Snow Removal Guidelines

Dear [Tenant's Name],

Welcome to our community! As the winter season approaches, we want to ensure that you are prepared for snow removal and understand our guidelines:

1. Snow Removal Schedule

Our snow removal team will begin clearing snow when accumulation reaches [specify inches]. Please ensure your vehicles are parked in designated areas to allow for efficient snow removal.

2. Pathways and Entrances

We will regularly clear all pathways and entrances. However, we encourage tenants to maintain clear access to their personal entryways.

3. Snow Disposal

Do not pile snow in front of vehicles or on walkways. Please use designated areas for snow disposal throughout the property.

4. Communication

If you have any concerns regarding snow removal or encounter issues, please contact [property manager's contact information], and we will address them promptly.

Thank you for your cooperation, and enjoy your winter stay!

Sincerely,
