

Digital Membership Card Usage Guidelines

Dear Valued Member,

Thank you for being a part of our community! As a digital cardholder, please take a moment to review the following guidelines to ensure a smooth and enjoyable experience.

1. Card Access

Your digital membership card can be accessed through our official app or website. Log in with your registered credentials to view your card.

2. Usage

Present your digital membership card at participating locations to receive your member benefits. Ensure that the card is displayed clearly during transactions.

3. Security

Keep your login information secure. If you suspect any unauthorized access, please contact our support team immediately.

4. Card Updates

Check for any updates or changes to your membership status regularly via the app to stay informed about new benefits.

Thank you for your continued support! If you have any questions, feel free to reach out to us.

Sincerely,

The Membership Team
