Dear [Recipient's Name],

I hope this letter finds you well. I am writing to propose a revision of the current interest rates associated with our account.

Given the recent market fluctuations and our ongoing relationship, I believe that a revised rate would be mutually beneficial. Our analysis indicates that a reduction in the interest rates would enhance our partnership and enable us to commit to increased business activity with your institution.

We appreciate your consideration of this proposal and look forward to discussing it further. I am available at your earliest convenience for a meeting to explore this matter in detail.

Thank you for your time and attention to this proposal.

Sincerely,
