Dear [Partner's Name],

I hope this letter finds you well. I am writing to propose the establishment of a joint credit account between us. This account will allow us to manage our shared expenses more effectively and take advantage of the benefits of a shared credit limit.

Here are some key points regarding the proposal:

- **Shared Responsibility:** Both parties will jointly manage and be responsible for the account.
- **Credit Limit:** Proposed initial limit of [Insert Amount].
- **Benefits:** Opportunities for rewards, better interest rates, and easier tracking of joint expenses.
- **Payment Schedule:** Monthly payments will be made based on our agreed amount.

I believe that this joint credit account will facilitate our financial collaboration, and I am excited about the possibilities it brings. Please let me know your thoughts on this proposal, and if you have any questions or would like to discuss it further.

Looking forward to your response.
