To Whom It May Concern,

I am writing to formally report deceptive credit repair services that I believe are operating in violation of the law. The business in question is [Insert Business Name], located at [Insert Business Address].

My interactions with this company have raised serious concerns, including but not limited to:

- False promises of credit score improvement.
- Charging upfront fees before delivering any services.
- Failure to provide written agreements outlining services.

I understand that these practices are against the Credit Repair Organizations Act (CROA) and could potentially harm consumers like myself.

I request that your office investigate this matter and take appropriate action to protect consumers from these deceptive practices.

Thank you for your attention to this important issue.

Sincerely,

[Your Name]
