

# Emergency Medical Advice

Date: [Insert Date]

Dear [Patient's Name],

This letter serves to provide you with important emergency medical advice, especially since you have reached out after our regular office hours.

## Immediate Actions:

- If you are experiencing a life-threatening emergency, please call 911 or go to the nearest emergency room immediately.
- For urgent medical concerns that cannot wait until normal business hours, consider visiting an urgent care center.
- Monitor your symptoms closely. If they worsen, seek immediate medical assistance.

## Contact Information:

For non-urgent matters, please feel free to contact our office during regular hours:

Phone: [Insert Office Phone Number]

Email: [Insert Office Email Address]

## Common After-Hours Advice:

If your concern is not urgent, here are a few guidelines:

- Stay hydrated and rest.
- Take over-the-counter medication as directed for symptoms like pain or fever.
- Keep track of your symptoms and report them during your next appointment.

Thank you for your understanding. Your health is our priority.

Sincerely,

[Your Name]
