

# Engagement Letter for Health Risk Assessment Initiative

Date: [Insert Date]

[Recipient Name]

[Recipient Title]

[Recipient Organization]

[Recipient Address]

Dear [Recipient Name],

We are pleased to engage in a partnership for the Health Risk Assessment Initiative. This initiative aims to identify and evaluate health risks within our community, thereby allowing us to implement effective strategies for health improvement.

The objectives of the initiative include but are not limited to:

- Conducting comprehensive health risk assessments.
- Engaging stakeholders and community members.
- Developing tailored health improvement plans.

We propose the following timeline for the initiative:

- Phase 1: [Insert Duration and Description]
- Phase 2: [Insert Duration and Description]
- Phase 3: [Insert Duration and Description]

We believe that your expertise and support will be instrumental in achieving our goals. Please confirm your agreement to participate in this initiative by signing and returning this letter by [Insert Due Date].

Thank you for your consideration. We look forward to the prospect of working together to promote health in our community.

Sincerely,

[Your Name]
