Dear [Recipient's Name],

As you prepare for your upcoming international trip to [Destination], it is important to ensure that you are protected against potential health risks. Based on the latest health guidelines and your travel itinerary, the following vaccinations are recommended:

- **Hepatitis A:** Recommended for all travelers to [Destination].
- **Typhoid:** Recommended, especially if you plan to stay with friends or relatives or visit smaller cities or rural areas.
- **COVID-19:** Ensure that you are fully vaccinated based on the latest CDC guidelines.
- **Yellow Fever:** Required if traveling from a country with risk of YF virus transmission.
- **Malaria Prophylaxis:** Discuss with your healthcare provider if traveling to high-risk areas.

Please consult your healthcare provider to discuss these recommendations and to schedule vaccinations as needed well in advance of your trip.

Safe travels!

Sincerely,
