

Flu Shot Clinic Update

Dear Community Members,

We are pleased to announce that our local government flu shot clinic will be held on **Saturday, November 15, 2023**, from **9 AM to 5 PM** at the **Community Center Auditorium**.

This year, we are excited to offer free flu vaccinations to all residents aged six months and older. Please remember to bring a form of identification and your insurance card, if applicable.

In light of ongoing health guidelines, we encourage all attendees to wear masks and maintain social distancing while waiting for their shots.

For further questions, please contact our office at **(555) 123-4567** or visit our website at www.localgovernment.gov.

Thank you for keeping our community healthy!

Sincerely,

The Local Health Department
