

# Introduction to Palliative Care Transition Planning

Date: [Insert Date]

Dear [Patient's Name],

We hope this message finds you well. We are writing to introduce you to our palliative care team as part of your transition planning. Our primary goal is to ensure that you receive comprehensive support tailored to your needs.

Palliative care focuses on improving the quality of life for patients with serious illnesses. Our interdisciplinary team will work closely with you, your healthcare providers, and your loved ones to navigate your treatment options, manage symptoms, and enhance your overall well-being.

As we begin this transition, we encourage you to share any concerns or questions you may have. We believe that your input is vital in developing a care plan that reflects your values and preferences.

We look forward to collaborating with you on this journey and ensuring that you receive the compassionate care you deserve.

Sincerely,
