

# Genetic Testing Counseling Feedback Request

Dear [Counselor's Name],

I hope this message finds you well. I am writing to kindly request your feedback regarding my recent experience with genetic testing counseling conducted on [Date of Appointment]. Your insights would be invaluable in helping me understand the implications of the tests and how best to proceed.

Specifically, I would appreciate your thoughts on the following:

- Your evaluation of the test results.
- Recommendations for follow-up actions, if any.
- Any additional resources or support you suggest for dealing with the information obtained.

Thank you for your help and support throughout this process. I look forward to hearing from you soon.

Sincerely,

[Your Name]
