

Follow-Up on Vision Therapy Session

Date: [Insert Date]

Dear [Patient's Name],

I hope this message finds you well. I wanted to take a moment to follow up on your recent vision therapy session on [Insert Session Date].

During our session, we focused on [briefly summarize key points from the session]. I hope you found the exercises beneficial and informative. It's important to practice the techniques we discussed, as regular practice will help in improving your vision.

Please let me know if you have any questions or concerns regarding the exercises or your progress. I am here to support you throughout your therapy journey.

Looking forward to our next session scheduled for [Insert Next Session Date].

Best regards,

[Your Name]
