

Feedback Following Your Genetic Counseling Appointment

Date: [Insert Date]

Dear [Patient's Name],

Thank you for attending your genetic counseling appointment on [Insert Appointment Date]. We appreciate your willingness to discuss your health history and your concerns regarding genetic conditions.

We hope that the information provided during your session was helpful and informative. Here are some key points we would like to summarize for your reference:

- Overview of family history and its relevance to genetic risks
- Discussed the potential for genetic testing and its implications
- Addressed any questions or concerns you may have had

If you have any further questions or need additional support, please do not hesitate to reach out to our office. We are here to help you navigate your genetic health options.

Wishing you the best,

Sincerely,
[Your Name]
