

# Referral Letter for Genetic Counseling

Date: [Insert Date]

To Whom It May Concern,

I am writing to refer my patient, [Patient's Name], [Patient's Date of Birth], for genetic counseling following the results of recent genetic testing.

Patient's Address: [Patient's Address]

The genetic testing conducted on [Insert Date of Testing] revealed [Brief Description of Test Results]. Given the implications of these findings, I believe it is essential for [Patient's Name] to receive genetic counseling to discuss the results, potential risks, and options.

Please feel free to contact me at [Your Phone Number] or [Your Email Address] if you require any further information regarding this referral.

Thank you for your attention to this matter.

Sincerely,
