

# HIV Diagnosis Update

Date: [Insert Date]

Dear [Patient's Name],

We are writing to inform you about the results of your recent HIV tests. Your test results indicate that you have tested positive for HIV. We understand that this news can be overwhelming, and we want to assure you that we are here to support you.

## Next Steps

It is important to schedule a follow-up appointment to discuss your test results and what they mean for your health. We recommend the following steps:

- Schedule an appointment with your healthcare provider.
- Consider joining a support group for people living with HIV.
- Learn about HIV medications and treatment options.
- Discuss any questions or concerns you may have during your appointment.
