

Rheumatology Clinic Referral Letter

Date: [Insert Date]

To: [Rheumatology Clinic Name]

Address: [Rheumatology Clinic Address]

Dear [Rheumatologist's Name],

I am referring my patient, [Patient's Name], a [Patient's Age]-year-old [Gender], who has been diagnosed with arthritis. The patient has been experiencing symptoms including [list symptoms], and their medical history includes [brief medical history relevant to arthritis].

After an initial assessment and management plan, I believe that further evaluation and specialized care are necessary for effective arthritis management. I request your expertise in determining a comprehensive treatment plan, which may include [list any specific treatments or assessments you feel are necessary].

Please find attached relevant medical records and any additional tests that have been performed.

Thank you for your attention to this matter. I look forward to your assessment and recommendations for [Patient's Name].

Sincerely,

[Your Name]
