Dear [Rheumatologist's Name],

I am writing to refer my patient, [Patient's Full Name], a [age]-year-old [gender], for further evaluation and management of suspected systemic lupus erythematosus (SLE).

Patient History:

- Chief Complaint: [Describe main symptoms]
- Duration: [Outline duration of symptoms]
- Relevant Medical History: [List any relevant medical history]
- Family History: [Provide family history related to autoimmune diseases]
- Medications: [List current medications]

Physical Examination Findings:

- [List significant findings from physical examination]

Laboratory Results:

- [Include relevant lab tests and their results]

Given the combination of the above findings, I strongly suspect lupus and would appreciate your expertise in further evaluating this patient. Please feel free to contact me for any additional information or clarification on the case.

Thank you for your assistance in the care of this patient.

Sincerely,
