Dear Dr. [Doctor's Last Name],

I hope this message finds you well. I am writing to inquire about the results of my recent epilepsy monitoring appointment conducted on [Date of Appointment]. I am eager to understand the findings and discuss any possible treatment options moving forward.

If the results are available, I would appreciate it if you could share them with me at your earliest convenience. Additionally, please let me know if it would be possible to schedule a follow-up appointment to discuss my results in more detail.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
