

Dear [Doctor's Name],

I hope this message finds you well. I am writing to follow up on our previous discussion regarding the timing of my radiation therapy. As you know, I am eager to begin treatment and would appreciate any updates you can provide.

Could you please let me know the proposed schedule for the therapy? Additionally, if there are any preparations I need to complete beforehand, I would be grateful for your guidance.

Thank you for your assistance and support during this time. I look forward to your response.

Sincerely,

[Your Name]
