

# Patient Communication Regarding Dialysis Treatment Side Effects

Date: [Insert Date]

To: [Patient's Name]

From: [Healthcare Provider's Name]

Subject: Important Information About Your Dialysis Treatment

Dear [Patient's Name],

We hope this message finds you well. As part of your ongoing care during dialysis treatment, it is important to communicate any side effects you may experience.

## Common Side Effects

- Nausea
- Fatigue
- Muscle Cramps
- Blood Pressure Changes
- Itching

If you experience any of the above side effects, or if you have any other concerns, please do not hesitate to contact our office. We are here to support you and ensure your treatment is as comfortable and effective as possible.

Thank you for your attention to this important matter. We look forward to continuing your care.

Sincerely,

[Healthcare Provider's Name]
