Dear [Hotel Manager's Name],

I recently had the pleasure of staying at your establishment from [Insert Check-in Date] to [Insert Check-out Date] and wanted to take a moment to share my feedback with you.

Overall, my experience was quite enjoyable; however, I believe there are some areas regarding technology and connectivity that could be improved. Specifically:

- The Wi-Fi connection in my room was inconsistent, making it difficult to work and stay connected.
- The available charging ports in the room were limited, and I would recommend adding more for guest convenience.
- A more user-friendly interface for the in-room entertainment system would enhance the overall experience.

I appreciate your attention to these matters, as I believe they would significantly enhance the stay for future guests. Thank you for considering my feedback.

Best regards,
