Subject: Discussion on Long-Term Vehicle Leasing Commitment

Dear [Recipient's Name],

I hope this message finds you well. I am writing to initiate a discussion regarding the possibility of entering into a long-term vehicle leasing agreement with [Company Name]. Given our ongoing needs and your excellent service, we believe that a long-term commitment could be beneficial for both parties.

We are particularly interested in exploring the following aspects:

- **Lease Duration:** We would like to discuss options for lease durations of [X years].
- **Vehicle Options:** Please provide a list of vehicles available for long-term lease.
- **Maintenance and Service:** Clarification on the maintenance services included in the lease.
- **Pricing Structure:** Discussion on the pricing model and any potential discounts for a long-term lease.

We would appreciate the opportunity to set up a meeting to discuss these points in detail. Please let us know your availability for a call or an in-person meeting in the coming days.

Thank you for considering this proposal. We look forward to your response.

Sincerely,
