

# Vehicle Leasing Inquiry for Electric Vehicles

Dear [Leasing Company Name],

I hope this message finds you well. I am writing to inquire about the leasing options available for electric vehicles. I am particularly interested in understanding the following:

- What electric vehicle models do you currently offer for lease?
- What are the terms and conditions associated with leasing an electric vehicle?
- Are there any special incentives or discounts for leasing electric vehicles?
- What are the mileage limits and excess mileage fees?
- What is the upfront cost, including any down payment required?

Thank you for your assistance. I look forward to your prompt response.

Sincerely,

[Your Name]
