Dear Hiring Manager,

I am writing to express my interest in the Logistics Apprenticeship Program at ABC Logistics, as advertised on your company website. With a strong enthusiasm for supply chain management and a desire to gain hands-on experience in the logistics industry, I believe this apprenticeship presents the perfect opportunity for me.

I recently completed my studies in Business Administration with a focus on Logistics Management at XYZ University, where I gained foundational knowledge in inventory management, transportation logistics, and operational strategies. My coursework has equipped me with essential skills that I am eager to apply in a practical setting.

Furthermore, I have completed an internship with DEF Shipping Company, where I assisted in coordinating shipments and managing logistics software. This experience has provided me with valuable insights into the challenges and demands of the logistics sector.

I am enthusiastic about the chance to contribute to your team and further develop my skills in logistics. I am confident that my proactive approach and commitment to learning will make me a valuable asset to ABC Logistics.

Thank you for considering my application. I look forward to the opportunity to discuss my application further and how I can contribute to your esteemed program.

Sincerely,
John Doe
