Address: [Recipient's Address]

Dear [Recipient's Name],

As part of our ongoing commitment to sustainability and reducing our carbon footprint, we are pleased to outline our proposed transportation resource allocation for our upcoming sustainability initiatives.

We believe that effective transportation management is crucial for promoting sustainable practices within our operations. Thus, we propose the following allocation:

- Increase in the use of electric and hybrid vehicles.
- Implementation of a carpooling program to reduce single-occupancy trips.
- Investment in bicycle infrastructure to encourage cycling among employees.
- Partnership with public transport providers to facilitate access to green transport options.

We would appreciate your input and feedback on this resource allocation plan. Together, we can make a significant impact toward our shared sustainability goals. Please let us know a convenient time for us to discuss this further.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
