

AI Technology Ethical Guidelines Affirmation

Date: [Insert Date]

To Whom It May Concern,

I, [Your Name], hereby affirm my commitment to the ethical guidelines surrounding the use of artificial intelligence technology. I understand the importance of responsible AI practices and pledge to adhere to the following principles:

- **Transparency:** I will ensure that AI systems are developed and deployed transparently, providing clarity on their functioning and decision-making processes.
- **Accountability:** I will take responsibility for the outcomes of AI technology and ensure that mechanisms are in place for accountability.
- **Fairness:** I will strive to eliminate bias and ensure that AI technology promotes equity and justice in its applications.
- **Privacy:** I will prioritize the protection of personal data and uphold the privacy rights of individuals.
- **Safety:** I will advocate for the safe and secure use of AI technologies, minimizing risks to individuals and society.

By adhering to these principles, I aim to contribute positively to the development and use of AI technologies for the benefit of all stakeholders.

Sincerely,
