

## **Subject: Request for Software Trial Extension**

Dear [Software Provider's Name],

I hope this message finds you well. My name is [Your Name], and I am a freelancer specializing in [Your Specialty]. I am currently using [Software Name] under a trial license and have greatly enjoyed its features and capabilities.

As I work on a couple of ongoing projects, I find myself in need of more time to fully evaluate the software's capabilities and how it can benefit my work. Therefore, I kindly request an extension of my trial period.

I believe that with additional time, I will be able to explore all the functionalities and assess how best to integrate it into my workflow.

Thank you for considering my request. I look forward to your positive response.

Best regards,
