

Request for Software Trial Extension

Dear [Software Company Name] Team,

I hope this message finds you well. My name is [Your Name], and I am currently using your [Software Name] under the trial version. I would like to express my appreciation for the features and capabilities of the software.

Due to [reason for extension, e.g., "my inability to fully test all features within the current trial period"], I kindly request an extension of my trial period. This additional time would allow me to thoroughly evaluate the software and determine its fit for my needs.

If possible, I would appreciate an extension of [specific duration, e.g., "two weeks"]. I believe this will help me make an informed decision regarding the purchase of a full license.

Thank you for considering my request. I look forward to your positive response.

Best regards,
