

Subject: Inquiry About Salary Expectations for New Role

Dear [Manager's Name],

I hope this message finds you well. I am writing to discuss the recently posted [Job Title] position within our company. I am very interested in applying and believe my skills and experiences make me a strong candidate.

Before I submit my application, I would appreciate your guidance regarding the salary expectations for this role. Understanding the compensation range will help me align my application accordingly.

Thank you for considering my inquiry. I look forward to your response.

Best regards,

[Your Name]
