

# Subject: Discussion on Billing Rate

Dear [Client's Name],

I hope this message finds you well. I am reaching out to discuss my current billing rate for the services I provide. I value our working relationship and want to ensure that we are aligned moving forward.

As you know, my current rate is [Current Rate] per [hour/project]. However, with my recent experience and the added value I bring to projects, I would like to propose an adjustment to [Proposed Rate] per [hour/project].

I believe this change reflects not only the quality of work I deliver but also the increased demand for my services. I am committed to providing you with exceptional results and would love to hear your thoughts on this proposal.

Thank you for considering this adjustment. I look forward to discussing it further.

Best regards,
