

Follow-Up on Delayed Telecom Service Installation

Dear [Recipient's Name],

I hope this message finds you well. I am writing to follow up on the status of my telecom service installation originally scheduled for [original installation date]. As of today, I have not yet received any updates regarding the delay.

The agreed-upon installation date has passed, and my home is still without service. I would appreciate any information you can provide regarding the cause of the delay and the expected timeline for resolution. It is essential for me to have this service activated at your earliest convenience.

Thank you for your attention to this matter. I look forward to your prompt response.
