

Welcome to Our Telecom Services!

Dear [Customer's Name],

Thank you for choosing our telecom services. We are committed to providing you with the best connectivity experience. Below are the instructions for activating your service:

Activation Instructions

1. Insert your SIM card into the device.
2. Power on your device.
3. Wait for the network signal to be established.
4. Dial ***123*** and follow the voice prompts to complete the activation.
5. Once activated, you will receive a confirmation message.

Troubleshooting

If you encounter any issues during activation, please refer to our troubleshooting guide or contact our customer support.
