Dear Customer Service,

I hope this letter finds you well. I am writing to inquire about the possibility of receiving a fee waiver for my telecom services due to financial hardship.

As a low-income family, we are struggling to meet our basic needs, and the costs associated with our telecom services have become increasingly burdensome. We rely on these services for essential communication, especially in times of emergency.

Please let me know what documentation is required to support my request and if there are any available programs or assistance that I can apply for.

Thank you for your consideration. I look forward to your prompt response.

Sincerely,

[Your Name]
