## **Positives:**

- Your creativity and attention to detail were evident in the final design.
- The project was delivered on time, which was greatly appreciated.
- Communication throughout the process was clear and responsive.

## **Areas for Improvement:**

- An earlier draft could help incorporate feedback sooner.
- Some adjustments in color choices could better align with our brand identity.

Overall, we are satisfied with your work and would consider collaborating again in the future. Thank you for your efforts!
