Subject: Hurricane Damage Insurance Claim for Structural Integrity Concerns

Dear [Claims Adjuster's Name],

I am writing to formally submit a claim for damages sustained to my property as a result of Hurricane [Hurricane Name/Date]. The storm has caused significant structural integrity issues that need immediate attention.

Upon inspection, I have identified the following concerns:

- Damage to the roof system, including missing shingles and water leaks.
- Cracks in the foundation and walls indicative of structural shifting.
- Damaged support beams in the basement due to flooding.

Attached to this letter, you will find photographs documenting the damage, as well as the relevant estimates from licensed contractors for necessary repairs.

Please process this claim at your earliest convenience. I appreciate your assistance in addressing these urgent issues, as the safety of my family and the integrity of my property are at risk.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
