Subject: Fire Damage Claim Settlement Negotiation - Claim #[Claim Number]

Dear [Adjuster's Name],

I hope this message finds you well. I am writing to discuss the settlement of my fire damage claim, Claim #[Claim Number], for the incident that occurred on [Date of Fire Incident].

As you are aware, the fire caused significant damage to my property located at [Property Address]. I have submitted all necessary documentation, including the damage assessment performed by [Name of Inspector/Company], along with receipts for temporary housing and other incurred expenses.

While I appreciate the initial assessment provided, I believe the proposed settlement amount does not fully reflect the true extent of the damages and the associated costs. Given the repairs needed and the costs outlined in the attached documents, I would like to propose a settlement amount of [Proposed Amount].

I am open to discussing this further and would appreciate the opportunity to negotiate a fair settlement that adequately compensates me for the damages and losses incurred. Please let me know a time that works for you to discuss this matter further.

Thank you for your attention to this important issue, and I look forward to your prompt response.

Sincerely,

[Your Name]
