Subject: Jurisdiction in International Divorce Proceedings

Dear [Recipient's Name],

I am writing to formally address the jurisdictional aspects related to my international divorce case, [Case Number], initiated on [Date of Filing] in [Country/State of Filing].

As per the [relevant international treaties/laws] governing international divorce, I would like to outline the following points for clarity:

1. Both parties have established residence in different countries.
2. The marriage was registered in [Country of Marriage Registration].
3. We have assets located in [Countries where assets are located].

Given these factors, I request the court to consider the applicable international laws and the established jurisdictions to proceed with my divorce case effectively.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,

[Your Name]
