Subject: Request for Mediation Regarding Inheritance Matters

Dear [Recipient's Name],

I hope this letter finds you well. I am writing to formally request mediation concerning the ongoing issues related to the inheritance of [Deceased's Name], who passed away on [Date of Death]. As you are aware, there have been various disputes regarding the division of assets that we have been unable to resolve amicably.

To ensure a fair and just resolution for all parties involved, I believe that mediation would be a constructive approach. I kindly ask that we arrange a session with a qualified mediator to facilitate a discussion and help us reach an agreement that honors [Deceased's Name]'s wishes and respects our family ties.

Please let me know your availability for this mediation process, and feel free to suggest any mediators that you would prefer to work with. I am confident that, together, we can resolve these matters in a respectful and productive manner.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,

[Your Name]
