Dear [Utility Company Name] Team,

I am writing to provide feedback regarding my recent experience with the setup of household utilities at my new residence.

Overall, I was pleased with the process. The scheduling was easy, and the representative who came to setup the utilities was professional and courteous. They arrived on time and efficiently completed the setup.

However, I did encounter a few challenges. [Briefly describe any issue you faced, such as delays or unclear instructions.] Addressing these aspects could enhance the overall experience for future customers.

Thank you for taking the time to consider my feedback. I look forward to your response and any improvements that may arise from this experience.

Sincerely,
