To Whom It May Concern,

I am writing to formally express my concern regarding the lack of enforcement of continuing education requirements for licensed professionals within [specific profession/field] in [specify location or jurisdiction].

As a licensed professional, I understand and value the importance of ongoing education for maintaining the standards of our profession. However, I have observed that numerous licensees are not meeting the required continuing education credits, thereby compromising the quality and integrity of our profession.

Specifically, I have witnessed instances where [provide examples, if applicable, such as colleagues failing to meet requirements, lack of tracking by the licensing board, etc.]. This raises serious concerns regarding the competence of practitioners in our field.

I kindly request that the appropriate measures be taken to ensure compliance with continuing education requirements among licensed professionals. This could include stricter monitoring and enforcement of regulations, as well as public reporting of compliance status.

Thank you for your attention to this matter. I look forward to your prompt response and the action that will be taken to uphold the standards of our profession.

Sincerely,
