[Phone Number]

To Whom It May Concern,

I am writing to formally request a permit for the use of specific airspace for research and development testing related to [briefly describe the purpose of the testing]. Our organization, [Your Organization Name], aims to [briefly describe the objectives and significance of the testing].

The proposed testing is scheduled to take place from [start date] to [end date] at the following location: [specific airspace location]. We anticipate that the activities will involve [describe the types of aircraft or technologies being tested].

We assure you that all necessary safety protocols and regulations will be strictly adhered to during the testing phase. We have conducted a thorough risk assessment, and are committed to ensuring public safety and minimizing any potential impact on the surrounding environment.

We kindly request your prompt attention to this application and hope to receive approval by [desired approval date] to facilitate our testing schedule. If you require any further information or documentation, please do not hesitate to contact me at your convenience.

Thank you for your consideration.

Sincerely,

[Your Name]
