Subject: Request for Pesticide Application Permit for Industrial Facility Maintenance

Dear [Authority's Name],

We are writing to request a pesticide application permit for maintenance activities at our industrial facility located at [Facility Address]. The purpose of this application is to manage pest populations that may compromise the integrity of our operations and ensure a safe working environment for our employees.

Details of the proposed pesticide application are as follows:

- Type of pesticide to be used: [Pesticide Name]
- Application method: [e.g., spray, granule]
- Target pests: [List of pests]
- Date of application: [Proposed Date]
- Duration of application: [Number of days]

We assure you that all applicable safety protocols and environmental regulations will be adhered to during the application process. The facility will be properly notified and will remain closed during the application period to ensure the safety of all personnel.

Please find attached the relevant documentation including:

- Product label and Safety Data Sheet (SDS)
- Site map indicating the application areas
- Certificate of pesticide applicator training

We appreciate your attention to this matter and look forward to your prompt response. If you require any further information or have any concerns, please do not hesitate to contact us at [Your Contact Information].

Thank you for your cooperation.

Sincerely,
